### Refund Policy

The Application Fee is non-refundable. Payment is fully refundable if enrollment in the training is cancelled at least 20 days before the 1st training event. If cancelled 19 days or fewer before the training the refund will be 50% (\$500) of Payment 1. If a student cancels their attendance after Payments 1, 2, or 3 is made but before attendance at that training event, they will be refunded in full for the event that was not attended. Payment 1 is non-refundable after the training begins.

No refunds for Payment 1, 2, or 3, if that training event has been attended, even partially. Deferment to a later training in full or part may be considered, depending on changed circumstances of the student.

Refund requests may be considered. MNI will always seek to understand the individual circumstances of each student who chooses to make those requests.
